Re: Jack R. Davis
Bankruptcy Case No. 97-03844

Dear Mr. Vasquez:

Please excuse the delay in my responding to your letter of July 15th.

If Davis is located near a population center that has a Bankruptcy Court, or a Federal Court for that matter, we should be able to set up a video conference. Please let me know.

There are three additional matters that come to mind. First, is Davis legally competent? Second, I would like to have Beckett present at the conference to make an additional identification. And third, shouldn't some one notify the United States Attorney as to what is going on?

Very truly yours,

SAMUEL J. STEINER
